Read the announcement of J. R. Curlee for County Treasurer.
T. C. Leitner announces himself for Supervisor in this morning's issue.
A number of young ladies stood the examination for teachers' certificates on Friday.

The friends of W. Leon Rosborough announce him for County Superintendent of Education this morning.
The telephone exchange request that subscribers will not make any calls on central office while there is any lightning around.
A horse and buggy was raffled in Mr. D. A. Crawford's stable on Monday. We have not heard who succeeded in getting them.
On Tuesday Professor Withrow's horse ran away with the survey, breaking the shafts and doing other damage. The horse took fright at the ice wagon.
A negro boy was arrested on Saturday afternoon for using obscene language and landed in the guardhouse. He was fined on Monday the sum of five dollars.
Three cotton blooms were sent us on Thursday. One from Mr. J. H. Cooper, of Bear Creek, one from Mr. J. C. Williamson, of East Wateries, and one from Mr. W. F. Burdick, of Jennings.
Mr. LeConte Davis has accepted a position to teach in the scientific department of Bingham's Military School, of Asheville, N. C. Mr. Davis is a young man of unusually quick parts, and we predict that he will succeed.
A Southern soldier of the Confederacy, now living in Iowa, says an exchange, expressed the sentiment of the South very plainly and tersely the other day when he said: "We couldn't lick the Yankees in 1861—and d—d if we'll let any one else lick 'em now."
Mr. J. W. Hanahan is trying to raise a company of volunteers, and all those in the county desiring to enlist may communicate with him. We understand that quite a number have already given Mr. Hanahan their names. It would be gratifying if a distinct Fairfield company could be raised.
What delinquent could be so heartless as to resist an appeal like this from the Lexington (S. C.) Dispatch? "Blackberries are now ripe and our delinquents will only send the almighty dollar so that we can get the sugar and the shortening for pies we will be in the swim, and then we can bid farewell to the hunger and thirst and feast on blackberry pies. Let the dollars roll in."

A FORMER FAIRFIELD CITIZEN DEAD
Mr. J. E. Gibson, formerly a citizen of this county living at White Oak, died in Winston, N. C., on last Saturday morning. Mr. Gibson was about forty-two years old. Mr. Gibson was a brother of Mrs. S. R. Johnston, and a son of the late D. G. Gibson. His wife survives him. He died suddenly, and the physicians said that he died from sunstroke. His remains were buried in Chester on last Sunday.

Mr. P. Ketcham, of Pike City, Cal., says: "During my brother's late sickness from sciatic rheumatism, Chamberlain's Pain Balm was the only remedy that gave him any relief." Many others have testified to the prompt relief from pain which the liniment affords. For sale by McMaster Co. druggists.

DEATHS AT STREETER.
The grim reaper Death has again visited Mr. and Mrs. J. R. Stewart, this time taking from them their little son William Arthur, age 7 months. He died May 27, 1898. The interments took place at Salem cemetery on the 28th. Scarcely two months previous to the death Maggie, their three-year-old daughter, died. Both children died from the effects of whooping cough. Mr. and Mrs. Stewart have our heart-felt sympathy.
June 18, '98. A Friend.

MT. ZION SOCIETY.
The Mt. Zion Society met on Thursday morning in the town hall. President Gaillard called the meeting to order, and Secretary G. H. McMaster read the minutes of the last meeting, which was held in 1895. The meeting was fairly well attended.

On motion of J. Q. Davis, a committee was appointed to examine the old constitution and all amendments made and report any changes or amendments that may be necessary to meet the changed conditions.

The chair appointed on this committee: J. Q. Davis, J. E. McDonald and W. D. Douglas.

ARRESTED FOR MURDER.
Messrs. Robert Blair and James Blair, of Ridgeway, were arrested on Thursday by the sheriff of Newberry County, charged with the murder of a negro woman at Pomaria in Newberry County. It seems, from rumors, that the negro woman was arrested about three years ago, for having stolen a number of articles belonging to Mrs. Robert Blair, and Messrs. Robt. and James Blair went to Newberry to arrest her. She was arrested, and about dark, as we hear, was locked up in the depot. The depot was broken open, and the woman disappeared, and has not been heard of since.

Several parties in Newberry have been arrested. It is said that a detective has been at work on the case. A number of witnesses from Fairfield have been summoned.

The Blairs are sons of Mr. Thomas Blair, and both of them bear a good reputation in the County. Their friends in the County believe them innocent.

RAIN, LIGHTNING AND THUNDER.
On Thursday beginning about 1.30 p.m. an unusually heavy rain fell accompanied by terrific thunder and lightning. The rain continued to fall in torrents until about 3 o'clock. The weather gauge showed that 3.26 inches fell. This is an unusual heavy rain fall for the length of time. The roaring of thunder and the flashing of the lightning was grand to some, and to others it was terrifying. The lightning showed its effect on the telephone exchange. In many of the telephones the bells were constantly ringing, and on Friday morning it was found that 56 fuses at the central office had been burned. The wire connecting the exchange with the Ridgeway line and the ground wire at the Winnsboro Hotel were melted at a point just where the wires enter the hotel office. Those who saw it say that it made a good electric light for a few seconds. Several telephone poles near Mr. W. R. Rabb's house on the Ridgeway line were struck and destroyed, and it may have been this current which fused the wires at the hotel.

A large oak tree in front of Judge of Probate Johnston's residence was struck by lightning.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it, and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by McMaster Co., druggists.

COMMENCEMENTS IN GREENVILLE.
Greenville, S. C., June 18.—The commencements of Furman University and the Greenville Female College were exceedingly pleasant occasions from the baccalaureate sermons on Sunday to the final exercises Thursday night when five young ladies graduated from the female college. This institution has passed through its most successful session under President Riley, 266 having been enrolled this year. The annual concert under Prof. G. Ferrara was a splendid exhibition of the highest order of music, and the anniversary of the Judson Literary Society was a most interesting entertainment.

Furman University graduated fourteen young men and one young lady, Miss McGee, Greenville. The closing exercises Wednesday night were presided over by President Montague, whose energy, tact, wisdom and ability are doing so much for Furman.

The Furman alumni have raised \$8,000 for the new alumni hall. They will easily secure \$2,000 additional when Prof. Judson will give \$5,000 and the work of building will begin immediately. Rev. H. R. Mosely was re-elected president of the association. Furman seems to have entered upon a new era of prosperity and success.

ARRAIGNED FOR DEATH.
A telegram was received by Mr. R. C. Gooding on Thursday saying that his father, Mr. A. F. Gooding, had been killed in St. Joseph, Mo., at noon of the same day, in a runaway. Mr. A. F. Gooding was with his brother in St. Joseph at the time. The particulars of his death, of course, can not be known until a letter is received from St. Joseph.

Mr. Gooding was 72 years of age, and was born in Kentucky. Just prior to the civil war, he moved to Missouri, and when the war commenced entered Gen. Marmaduke's cavalry, and served through the war. He came to South Carolina after the war with horses and mules, and soon decided to make his home in Winnsboro. He opened a stable here, and afterwards formed a partnership with Mr. W. R. Doty. With the exception of a few years spent in Charleston, Mr. Gooding has lived in Winnsboro nearly all the time since the civil war.

The news of his death was a severe shock not only to his family, but to all his friends in Winnsboro where he was perhaps known better than anywhere else. A more kind-hearted, generous and hospitable man never lived.

He leaves a widow and the following children: R. C. Gooding, Mrs. W. G. Jordan, of Winnsboro, C. T. Gooding, of Macon, Ga., and S. P. Gooding, who is now located in St. Joseph.

GRAND JURY PRESENTMENT.
To His Honor Judge D. A. Townsend:
The grand jury beg to report having acted on all bills presented by the Solicitor:

We are pleased to report, after having examined by committee the offices and books of the different county officers—that all are well and neatly kept, and that proper vouchers were exhibited for expenditures, etc. We recommend that \$6 be paid accountant for two days' services.

The books of the dispensary kept at Winnsboro and Ridgeway have been examined, and found in good order and correct. It is again recommended that services of clerk at Winnsboro be dispensed with. A shortage in the management of Ex-Dispenser Elkins, of the Ridgeway dispensary, has been called to attention of the grand jury. The matter is referred to the Board of Control with request that steps be taken to recover amount of deficit from bond dispenser.

The alms house and farm are reported in satisfactory condition. The inmates contented and the farm well cultivated.

It is recommended that a survey of the county be made, locating all roads, township and school district lines, streams and water powers, all mining deposits, etc., and that a map of same be printed.
Respectfully submitted,
A. E. Davis,
Foreman.

There is more Catarrh in this section of the country than all other diseases together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

THE WINNSBORO NEWS AND HERALD publishes seven cents per copy for the poor and all the officers are not enumerated either. The chances are that the people of the county will have to divide time with the candidates.—Augusta Herald.
